

Versatile Pro-Lite Small Form Factor Video Server and 16-Port PoE Switch

This Server/Switch bundle combines performance and value for a cost-efficient recording and networking solution. The bundle includes a 16-port power over Ethernet switch and a small form factor server with Windows 10 Pro and video surveillance grade hard drives. A unique combination of performance and value that's unmatched.

The S16 Bundle is reliable and ideal for small to mid-range IP video surveillance projects with raw storage options of up to 10TB. It includes the latest six-core Intel® Core® i7-8700 8th generation processor, providing up to 30% more computing potential than 7th generation processors. This bundle supports up to 16 cameras on a single network, depending on storage and bandwidth requirements*. Also included is BCDVideo's standard 5-year, on-site, next business day, Keep Your Hard Drive Warranty.

Includes:

Small Form Factor Server, 16 Port PoE Network Switch, Transceivers & Patch Cords
