Micro Milestone Appliance &
8-Port PoE Network Switch

Pro-Lite Micro Milestone Appliance and 8-Port PoE Switch Bundle Integrated with Milestone XProtect

This Milestone Server/Switch bundle is a small but powerful recording and networking solution. It includes an 8-port power over Ethernet switch and a micro-server equipped with Windows 10 Pro and video surveillance grade hard drives, as well as Milestone XProtect Essentials+ preloaded with licenses for up to 8 cameras. This bundle is also compatible with a variety of Milestone software and license upgrades for future flexibility.

The business-grade S7 Bundle is a compact solution ideal for small business or retail surveillance projects and features cutting-edge hardware. It supports up to 7 cameras on a single network, depending on storage and bandwidth requirements*. A light and fast solution which includes an Intel® Core® i3-8100 processor, up to 2TB of storage, and a 5-year, on-site, NBD, Keep Your Hard Drive warranty.

Includes:

Micro Appliance, 8 Port PoE Network Switch & Patch Cords, Integrated with Milestone XProtect Essentials+

BCDM02P-8P-MSSP
